## Memories for Today!

New App to upload photos as you travel and to watch your video right on your mobile device, tablet, or computer!

## Memories for Tomorrow!

Keep your precious memories forever on DVD & watch for years to come! Watch your keepsake DVDs at graduation parties or reunions!

## Facebook Sharing Features!

Easily share your trip photos and highlight video on facebook using the Group Travel Videos app or website!

## It all works in just 4 simple steps.

1 We provide your group with memory cards, digital cameras, or USB Flash Drives!

2 You send the cameras, memory cards, and flash drives to our production studio.

3 We post your pictures to our website for online viewing and download.

4 We ship your videos to you!

## Benefits

### Students

Have a blast reliving their **Lifetime Experience** and have a great **Keepsake Video** to enjoy for years to come!

### Directors

Appreciate how the video reinforces the **Educational** purpose of the trip and how it becomes a perfect recruiting tool for next year!

### Parents

Get to see the **Benefits** of how their hard earned cash was spent, just by watching the **Keepsake Video!**
